

TAP DIALUP NUMBERS FOR SENDING SMS TEXT MESSAGES

Note: some numbers may not be in service or have been changed.
They can be tested by dialing the number with a regular phone and listening for the modem tones at the other end.

KEY: Company Name=pager or cell phone service provider
Pager Service # = the modem dialup number used in PageR Enterprise
Baud rate,databits,parity,stopbits=data format settings used in PageR Enterprise.
